AGENDA:

- **Section 1: Introduction Topics**
 - Timeline
 - Categorizing Space
 - Space Impact on F&A
- **Section 2: Roles & Responsibilities**
 - Data Administrator
 - Data Steward
 - Facilities Data Manager
- **Section 3: Function Definitions & Common FAQs**
- **Section 4: Overview of the System – Demo**
 - Key aspects of completing the survey
- **Section 5: Resources & Audience Q&A**

Section 1: Introduction Topics

FY26 Space Survey Timeline

- Training Sessions are scheduled on the following days in –person and Zoom:
 - Thurs. July 16 2026 10am-11:30am (Evanston)
 - Mon. July 20 2026 1pm-3 (Chicago)
 - Thurs. July 9th 2026 10am-12 (On-line, All School/Units)
- Survey opened on **Monday, June 1, 2026**
- Survey closes on **Sat. August 15th, 2026**
- For one-on-one training and consultation with FPSM or ASRSP staff, please contact:
 - Patrick Eaton at patrick.eaton@northwestern.edu
 - Sophia Gabay at s-gabay@northwestern.edu

Categorizing Space

- Each room in the space survey is inventoried to a specific function or functions such as:
 - Instruction
 - Research
 - Administration
 - Other Institutional Activities (OIA)
- The FY25 organized research space will then be used in negotiating the next F&A (Facilities & Administrative or Indirect Cost) rates. Research rooms will be audited by federal auditors.
- The F&A rate determines the amount of Indirect Cost Recovery (ICR) funds the University receives annually.

How Does Space Impact F&A?

- Facility related costs (such as utilities) are charged to sponsored programs using the “Facilities” and “Administrative” (F&A) rate.
- The amount charged to a grant is based upon the results of the space survey.
- For example, if 75% of a building is reported as research, we can charge 75% of the utility costs for the building to grants.
- As the percentage of research space in a building goes up or down, so does the amount charged to a grant.

Section 2: Roles & Responsibilities

Space Validation Expectations

Overview of Roles & Responsibilities

1. Department information is reflective of data maintained in NUFinancials
2. Assignee information is reflective of data maintained in HRIS

Data Administrator Role

- **All Departments (With/Without Grants)**

- Verifying Jurisdiction
- Verifying Room Type
- Verifying Utilization
- Verifying Occupants

- **Only for Departments with Grants**

- Verifying Pls
- Verifying Grant chart strings
- Verifying Lab Users

Space Validation Expectations

Data Administrator

- **The information collected reflects the use of space between September 1, 2025, and August 31, 2026**
- **Training & Resources Available**
 - [Facilities Connect Training Website](#)
 - Training Video
 - Job Aides – Room Use Codes, Function Codes, etc.
 - [Space Information Reports](#)
 - Scheduled Workshops (In Person)
 - Individual Trainings (In Person or Online via Booking System)

Space Validation Expectations

Areas of Focus for the FY2026 Survey

Area of Focus	Description	What to Expect
Recharge Facilities	Any space area that charges others for a service. Those services that are calculated are subsidized by other department funding sources	• Select “Recharge Facility” in the Lab User section • To be coded as space type 266 or 250 and to be coded with Sponsored Research
Space Class 310, 311, & 312	310 - Faculty Office, 311 - Research Staff Office, 312 - Grad Student Office	• These spaces are office/admin/academic areas and to be coded 0020 Salary/wages for Function Code
Space Class 650 Lounge	650 Lounge; to be used when the space that is not restricted to a specific group of people, unit, or area and is intended for use by people visiting or passing through a building, it is coded as a Lounge (650).	• For Departmentally assigned spaces use Space Class 323 - Break Room/Pantry/Kitchen or 315 Office Service See below*
Space Class 730 Central Storage	730 - Central Storage - a space or building that is used to store equipment or materials and that serves multiple space use categories, organizational units, or buildings	• Recommend using 315 Office Service and/or 319 Office Supplies/Storage when describing an office area storage, supply, coat closets.
SpaceClass Departmental Food Facilities	For any departmentally assigned Office Support Spaces that include a sink, or a refrigerator, or a microwave/oven; even if shared with other functionality (copy/storage) should be coded 323 – Break Room/Pantry/Kitchen Area	• Review the functionality and confirm amenities in space to select the appropriate SpaceClass
Assignee	Laboratories and lab support rooms should be assigned to the PI(s) responsible for that space.	• Director/Director, Chair/Chair should not be used in Laboratory Spaces with Sponsored Research

Space Validation *Areas of Focus*

Area of Focus	Description	How to Allocate
Dry Lab Research Office/Workstations 240 & 241	A room or suite of cubes used by research or academic personnel for computer-based analysis, modeling, simulation, design, data management, or administrative activities that support research, without the presence of wet laboratory equipment.	<u>Space Validation entry data</u> Occupant: Assign Occupant(s) to space Assignee: Assign PI name and select Grant chart strings activated Lab Users: None, only assign occupants. Function code: Research coding, (i.e. Sponsored, Dept., Clinical, Instruction)
Corridor/Hallway spaces	262 – Lab Suite Corridor or Circulation area contained within a suite or collection of Scheduled/Study Laboratories that is not accessible to the general public.	Space may include research support service activities such as equipment or chemical storage carts. The primary use of this space must be internal circulation, not laboratory support activities. The non-circulation areas should be designated as the appropriate laboratory's service areas.
	320 – Office Suite Corridor, 082 – Corridor or Pedestrian circulation space that is generally open to the public during normal business hours. Limitations: Non – public corridors contained within office suites, laboratories, or health care facilities should be coded as such. (see Health Care Facilities, Laboratory Facilities, Office Facilities.)	These spaces are to be coded 0020 Salary/wages for Function Code
Autoclave	Autoclave, Glasswash, Darkrooms, Environmental Control Rooms, and other lab support speciality rooms.	These spaces are to be coded with: Assign PI name and select Grant chart strings activated Lab Users: Populate Lab users Function code: Research coding, (i.e. Sponsored, Dept., Clinical, Instruction)
Vacant	Vacant areas not used during the whole or partial fiscal year	- If 100% Vacant, code 9975 at 100% - If partial, indicate in % what portion was used and vacant

Section 3: Space Function Definitions

Function Code Definitions

Function codes are used to reflect activities occurring within the room. Function codes are informed by assignee, activities, research activities, financials, etc.

- **Research Function Codes:**

- SPONSORED RESEARCH (0010)
- DEPARTMENTAL RESEARCH (0007)
- SPONSORED TRAINING (0085)

- **Administrative Function Codes:**

- GENERAL ADMINISTRATION (0040)
- DEPARTMENTAL ADMINISTRATION (0007)
- ACADEMIC DEANS' OFFICES (0060)
- SPONSORED PROJECTS ADMINISTRATION (0050)
- STUDENT SERVICES ADMINISTRATION (0065)

- **Unoccupied Function Codes:**

- VACANT SPACE (9975)
- UNUSABLE SPACE/UNDER CONSTRUCTION (9980)
- NON-ASSIGNABLE (9999)

- **Other Function Codes:**

- INSTRUCTION (0005)
- OTHER SPONSORED ACTIVITIES (0014)
- OPERATIONS AND MAINTENANCE (0075)
- OTHER INSTITUTIONAL ACTIVITIES (0016)
- INDUSTRY CLINICAL TRIAL (0012)
- LIBRARY (0035)

[Complete List of Function Codes & Definitions](#)

Sponsored Research (SR)

Definition:

- The federal government defines Organized Research as all research and development activities of an institution that are separately budgeted and accounted for.
- It includes sponsored research, which are all research and development activities that are sponsored by Federal and nonfederal agencies and organizations. Organized Research Space includes all space used for activities that meet the federal definition of organized research.

[Complete List of Space Classes & Definitions](#)

Departmental Research (DR)

Definition:

- The federal government defines departmental research as the “research, development and scholarly activities that are not organized research and, consequently, are not separately budgeted and accounted for.”
- Departmental Research Space includes all space used for activities that meet the federal definition of departmental research.

Section 3: Common FAQs

F.A.Q. #1:

How is Percentage Utilization Calculated?

F.A.Q. #1:

How is Percentage Utilization Calculated?

- You can't calculate. You need to estimate.
- The Uniform Guidance, states (paraphrased):
 - It is recognized that teaching, research, public service, and administration are often inextricably intermingled.
 - A precise assessment is not always feasible, nor is it expected.
 - Reliance, therefore, is placed on estimates in which a degree of tolerance is appropriate.

F.A.Q. #1:

How is Percentage Utilization Calculated?

- Review Indicators to Help You Estimate the Percentage Utilization:
- Occupancy: Who is in the space?
 - Faculty? Staff? Students?
- Activity: What actually happens in the space?
 - Research? Administration? Instruction?
- Funding: How is occupant's salary paid?
 - Grants and Contracts? State? ICR?

F.A.Q. #2:

What Does Reporting Utilization Over the Fiscal Year Really Mean?

F.A.Q. #2:

What Does Reporting Utilization Over the Fiscal Year Really Mean?

- The space utilization survey should reflect how each room is used during the entire FY26 (September 1, 2025 – August 30, 2026).
- The survey should not represent a snapshot of how the space was used at a particular point in time.
- Functional coding must identify a room's usage in specific percentage terms that reflect all activities performed in the room for the fiscal year.

F.A.Q. #3:

**How to Assign Utilization to Support Space
(Kitchens, Storage, Etc.)?**

F.A.Q. #3:

How to Assign Utilization to Support Space (Kitchens, Storage, Etc.)?

If Utilization for Primary Room Type is:

SR

(Office)

Dept Admin + OIA

SR

(Conference)

Dept Admin + OIA

SR

(Research Lab)

...then Utilization for Support Room Type should be:

SR

(Private Toilet)

Dept Admin +
OIA

SR

(Kitchenette)

Dept Admin
+ OIA

SR

(Storage)

Dept Admin
+ OIA

SR

(Private Circulation)

- FC was updated in March '26.
 - Functionality and location of buttons are in same location. Theme/look has changed
 - “Blue links” is a selectable link to move/open to different pages
 - Graphical floor plan viewer has been updated (see training materials)
 - On the Assignee/Lab-User/Function code verification page, a new warning will prompt user if the Percentages are left at 0%.
 - Space record will not validate until percentage is corrected

Next Steps: Prepare for the Space Survey

- Make sure you can [access Facilities Connect](#) and that you can [navigate to and see](#) your department's space under 'My Responsible Spaces'
 - If you cannot, please alert Space Information and your Data Steward, they will likely direct you to the [Facilities Services Approver Change Form](#)
- Review the floor plans and report any physical changes (i.e. renovations) or department allocation changes Space Information. Walk or Tour your spaces.
- Review the [glossary of terms](#) and [Space Validation training material, job aides, and quick guides](#)
- Schedule time to speak with Assignees about activities occurring within their labs, information to collect includes but is not limited to:
 - Occupants
 - Productivity Department
 - Function Code Distribution
 - Grant Chart-strings (by Assignee) research activity occurring in the room
 - Lab Users (By Chart-string)
- Alert your department chair so you can accommodate this within your work plan

Do not wait until last minute as this will and should take time – Start now!

FSM & Cancer Center Data Admins Only

- Request for Data Admins listed below who validate space within the Cancer Center space records, we ask for these groups and individuals to remain after the main presentation for 15-20min discussion regarding the upcoming FY25 Space Validation Process
- These following departments/divisions that occupy space & research within the Cancer Center.
 - Biochemistry & Molecular Genetics 5107000
 - Dermatology 5202000
 - Endocrinology 5306000
 - Hematology/Oncology 5314000
